2 Servings | 1 Fueling | 1 Condiment

Ingredients

1 Brownie

1 Banana Pudding

2 tbsp light cream cheese

5 tbsp water

Instructions

Combine Brownie mix with 2 tbsp water until well blended. Spray a plate lightly with Pam. Spread batter on to plate to form two round circles. Microwave for about 1 minute and 30 seconds. Microwave times may vary. Try doing 1 minute first and then check to see if it is done. Let cool. In a small bowl, combine pudding, cream cheese and 3 tbsp water to form a smooth thick batter. Add more water if needed to resemble a thick spread. Spread the batter evenly on both cookies. Serve.
